#### **Summary**

What's up with Cali? Why does she keep changing her gamer tag?

It's summertime, and even though his good friend Cali moved to another city, Jaden can connect with her online almost every day to play their favorite game, *Cross Ups*. But then he gets roped into a dorky summer camp with his buddy Hugh, and Cali starts acting really weird . . . So when a last-minute tournament spot opens up in Cali's new city, Jaden jumps at the chance to go.

But things go badly from the start. Cali is unhappy, and Jaden can't figure out why, especially when she's getting better and better at *Cross Ups*.

Anyone's Game, the second book in the Cross Ups series, chronicles the ups and downs of middle school with relevant, contemporary themes including bullying and female discrimination online in e-sports.

#### **GENERAL ACTIVITIES FOR THE CROSS UPS SERIES**

#### 1. VIDEO GAME RATINGS (BLM1)

The Entertainment Software Ratings Board assigns rating categories to games to suggest age-appropriateness. Discuss the ratings system. Are the games you play rated appropriately for your age group? Do you think there should be restrictions placed on who can play certain games? Why or why not?

#### 2. CREATE A VIDEO GAME CHARACTER (BLM2)

The video game *Cross Ups* has characters that transform into mythical creatures. Invent your own *Cross Ups* character to add to the game. Draw a picture of the character before and after it transforms and describe its Super moves.

#### 3. PRESS CONFERENCE

What questions would would you like to ask a character from the Cross Ups books? How do you imagine s/he would respond?

Conduct a press conference, where one student takes on the role of a character from the story, while the rest of the class acts as reporters. Then write a newspaper article based on the press conference.

#### 4. CHARACTER CHAT

Imagine you got to play *Cross Ups* against your favourite character online. Write an imagined conversation, either as a series of in-game messages or as a conversation over microphone and headset.

#### 5. **DESCRIPTIVE ADJECTIVES** (BLM3 and BLM4)

List three adjectives to describe each character. Who are you most like? What qualities do you share? Who are you least like? Who do you wish you were like?

#### 6. **BEST FRIEND**

What qualities make a good friend? Who do you think is the best friend to Jaden? Support your answer with examples.Do you think Jaden would agree? Is Jaden a good friend?

#### **BEFORE STARTING CROSS UPS BOOK 2: ANYONE'S GAME**

These activities build the context and introduce the topic of the book, and establish prior knowledge and interest.

#### 1. CHANGING IDENTITIES

Think of reasons why you might want to change your name or your identity. What new name would you choose?

#### 2. LONG DISTANCE FRIENDS

How do you keep in touch with friends or relatives who live far away? What is the difference between your relationship with the friends you can see every day and the friends who live far away? Write a letter or email or online message to a long-distance friend or relative telling them about your day. What would you choose to tell them? What would you keep to yourself?

#### 3. CONFIDENCE METER

If you had a confidence meter, how full would it be when you woke up today? Name some times when someone's confidence meter might be full and when it might be empty. When it's empty, what can you do to fill it up?

#### WHILE READING CROSS UPS BOOK 2: ANYONE'S GAME

These activities check on comprehension, stimulate interest, involve readers in reflection as they read, and encourage consideration of other readers' reactions.

#### 1. **TROUBLE** (after Chapter 4)

Jaden is worried that Cali is in trouble, but she won't tell him what's wrong. Based on Cali's behaviour at the end of chapter 4, what do you think is bothering her? What could Jaden do to encourage her to talk? Write down a conversation between them that ends with Cali opening up.

#### 2. **SPIN: THE ART OF PERSUASION** (after Chapter 5)

Jaden needs to convince his parents to let him go to an out-of-town tournament on his own. To do that, he needs to give his argument the right "spin," by emphasizing all the good reasons why he should go. Imagine you have to convince someone to let you do something that could be dangerous. How would you "spin" your argument?

#### 3. CHANGE OF HEART OR ULTERIOR MOTIVES? (after Chapter 8)

Melanie offers to take Jaden to Montreal, which surprises him. She's never helped him before. Why do you think Melanie has offered to take him?

#### 4. **LIES** (after Chapter 10)

In the story, several characters lie to each other to get what they want. Think of a time when you have lied. What was your motivation? What happened?

#### 5. **JUST TALK** (after Chapter 13)

Sage likes to make comments about other players, including SaltyPeppa. Why do you think he does this? Do you think what he said about her is fair? Why or why not?

#### 6. **OLD FRIENDS, NEW FRIENDS** (after Chapter 17)

Jaden chooses to eat with Sage rather than with his friends. Why does he do this? What would you have done? Why do you think Sage is helping Jaden?

#### 7. **JUST "GUY TALK"** (after Chapter 20)

Jaden and Melanie argue about the comments Sage makes about Cali's looks. If you were there, what would you say to Jaden? To Melanie?

#### 8. WALK IN SOMEONE ELSE'S SHOES (after Chapter 22)

Jaden tries to imagine how Cali feels when she reads comments from other gamers. Think of someone who is different from you. Imagine that when you wake up tomorrow, you are that person. Describe your day.

#### 9. **FAKING IT** (after Chapter 25)

Both Cali and Jaden pretend to be their Cross Ups character to make them stronger when facing challenges. If you could be an imaginary character (from a book, movie, game, etc.) who would you be? What is it that you like about that character?

#### 10. **TRASH-TALK** (after Chapter 26)

ORevoir tries to win his game against Jaden by intimidating him. How does he do this? Have you ever played a game against someone who used insults or boasts to undermine your confidence? What happened?

#### 11. **WIN OR LOSE?** (after Chapter 29)

Even though Jaden loses the tournament, he still feels like a winner. What did he win?

#### AFTER READING CROSS UPS BOOK 2: ANYONE'S GAME

These activities inspire continued reflection and response to the text, bring conclusion to the experience of reading this particular text, and stimulate further extensions.

#### 1. MASKS AND TRUE NATURE

How does the story explore the different ways we hide or show our selves to the outside world? (For example, the avatars or gamertags that *Cross Ups* players use, compared to their real names, or a "tough-guy" or "tough girl" image compared to how a character really feels inside)

#### 2. AHEAD (ASK, HYPOTHESIZE, EXPERIMENT, ANALYZE, DECIDE)

How does Jaden use the scientific method to figure things out?
